Blister pack featuring information in German and English

Quality Uncirculated
Mintage 130,000
Alloy Copper CU 999
Weight 15.00 g
Edge Milled

Price: € 10 (Tax free)

Like all the coins in *The Language of Flowers* series, The Chamomile features an imprint of real flowers. Faithful to the tiniest detail, they are pressed using a special technique that captures them in their natural state. In the language of flowers, chamomile signifies 'strength in difficult situations' and 'energy in adversity'. This makes perfect sense given chamomile's numerous healing and magical properties, uplifting scent and delightful daisy-like flowers.

Known to the ancient Egyptians, Greeks and Romans and used for centuries to heal a wide range of maladies, chamomile was believed by the Anglo-Saxons to be one of nine sacred herbs with special powers to fend off illness and evil. This unassuming yet powerful herb has a history of use in magic spells for peace, purification, protection and self-esteem. It is also said to have magical abilities to attract luck, love and prosperity and to release the pain of lost love and help people let go of grudges, guilt and anger. Humans are not alone in enjoying the many benefits of chamomile, as the beautifully scented, easy-growing herb is also known as the 'plant doctor' and if placed next to ailing or weak plants is thought to help strengthen them.

Next to an ornamental side image of chamomiles, which is stylishly printed in colour, the coin's reverse features imprints of real chamomiles in bloom. On the coin's obverse, chamomile flowers adorn the hair of a determined-looking young woman who symbolises vitality. On her shoulder sits a phoenix, a mythical bird that has stood for renewal and rebirth since ancient times. Beyond her the silhouette of a spear is visible.

Price: € 26.40 (incl. 10% VAT)
Companion Book with 100 Pages

THE LANGUAGE OF FLOWERS COLLECTOR ACCESSORIES

Companion Book

Do you know which of the seven flowers in the series to give when you want to...

- Tell someone you are thinking of them?
- Apologise for doing something you are ashamed of?
- Express your affection in no uncertain terms?

You can find the answers to these questions and many, many more in the fascinating companion book to *The Language of Flowers* series. Written by renowned British gardening expert Juliet Roberts, this beautifully illustrated 100-page hardback takes an entertaining look at the meanings, mythology, magic, botany and uses of the seven well-known plants on which the coins are based.

Price: € 57.60 (incl. 20% VAT)
Coins not included
